3. Opportunity to contribute to better media operating environment
4. Scholarships and training when available
5. Legal defence assistance or linkages to partners who offer such services
6. Reference letters for members
7. Access to good governance radio programme grants when funds are available

### **About MISA Zambia**

MISA Zambia is a non-governmental organisation dedicated to promoting media freedom and diversity in Zambia. It was established in Zambia in 1996. Among its successes are the enactment of the Independent Broadcasting Authority (IBA) and the Zambian National Broadcasting Corporation (ZNBC) Amendment Acts of 2002. It is a Chapter of a regional body; the Media Institute of Southern Africa (MISA), based in Windhoek, Namibia. MISA has a presence in 11 countries in the Southern African Development Community (SADC) region namely Zimbabwe, Botswana, Malawi, Angola, Mozambique, Swaziland, Lesotho, Tanzania, Namibia and South Africa.

The Vision Statement of MISA Zambia is :“A media friendly environment, free of legal impediments to accessing and disseminating information, which the public need in order to make informed decisions concerning their welfare and development..” while its Mission Statement is “To promote a sustainable, non-partisan, independent, plural and diverse media that informs and empowers society, promotes democracy, good governance, freedom of expression and media freedom in an ethical, competent and professional manner.”
